

## Resource Person

Mr. Shib Sankar Das is Principal Project Officer at the NPTEL and BS Program Office of IIT Madras. Mr. Das started his career as an Airman in the Indian Air Force in 1981 and after about 11 years' service in the defence force and the Government of Punjab he joined IIT Kharagpur in 1992. He did his Master's degree from the same institute and worked in the biomedical research group. The work was recognized with the grant of two Indian patents along with the other members of the team. During his tenure in IIT Kharagpur he also looked after the outreach program activities of the Institute including NPTEL and SWAYAM Prabha. He left IIT Kharagpur in 2022 and is with the NPTEL office IIT Madras since March 2023.

## Other Key Dignitaries

Prof. Taranee Deka  
(Chief Guest)  
Vice Chancellor  
Bongaigaon University

Dr. Rupanjali Devi  
President, Governing Body  
PDUAM, Tulungia

Dr. Phatik Ch. Kalita  
Principal  
PDUAM, Tulungia

## Programme Schedule:

Time	Events
09:00 am -10:00 am	Registration
10:00 am -10:45 am	Programme Inauguration
10:45 am -11:00 am	Tea Break
11:00 am -01:00 pm	Session I (including Q&A)
01:00 pm -02:00 pm	Lunch Break
02:00 pm -03:00 pm	Session II (including Q&A)

# ONE-DAY STATE LEVEL SWAYAM NPTEL AWARENESS WORKSHOP

Organised by  
Pandit Deendayal Upadhyaya  
Adarsha Mahavidyalaya,  
Tulungia

In association with  
NPTEL, IIT Madras

Mode : Offline  
Date: 12th February, 2026  
Time: 10 AM Onwards  
Venue: PDUAM, Tulungia  
Bongaigaon: 783383

## Profile of PDUAM, Tulungia

Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya, Tulungia is a government model college, established through a collaborative initiative between the Central Government and the Government of Assam. The college was founded in the year 2017 under the RUSA, a centrally sponsored scheme introduced by the Ministry of Human Resource Development to enhance higher education infrastructure across India. It provides academic programmes at higher secondary and undergraduate levels, offering courses in three primary disciplines: Commerce, Science and Arts. In the academic year 2024, the college achieved a significant milestone by completing its first cycle NAAC evaluation, securing a B++ Grade.

## About SWAYAM NPTEL

SWAYAM (Study Webs of Active Learning for Young Aspiring Minds) is a Government of India initiative that provides free online courses to learners across the country, promoting accessible and quality education for all. NPTEL (National Programme on Technology Enhanced Learning), developed by 7 IITs and IISc, is a major contributor to SWAYAM, offering high-quality courses in engineering, science, management and humanities. Together, SWAYAM and NPTEL enable students, teachers and professionals to upgrade their knowledge through structured courses and optional certification.

## Overview of the Workshop

In the present educational landscape, digital learning and MOOCs have become vital for ensuring access, equity, and quality in higher education. In this context, platforms such as SWAYAM and NPTEL have gained increasing relevance by providing learners with free and structured access to high-quality courses developed by premier institutions like the IITs, IISc, and central universities.

Aligned with the National Education Policy (NEP) 2020, these platforms support blended learning, flexible curricula, and credit transfer mechanisms. They empower faculty to adopt innovative teaching practices and help students enhance skills, employability, and lifelong learning. Moreover, development of MOOCs/e-content has been incorporated as a criterion of annual performance assessment of faculty members for CAS Promotion.

Awareness of SWAYAM NPTEL and MOOCs development strengthens institutional readiness and contributes to building a digitally empowered and learner-centric education system.

Against this backdrop, the One-day SWAYAM NPTEL awareness workshop at PDUAM Tulungia in association with NPTEL, IIT Madras is aimed at empowering educators with the competencies required to design and develop MOOCs, while familiarizing them with NPTEL initiatives, courses, certification processes, and opportunities for faculty and students. At large, the workshop intends to facilitate the effective integration of MOOCs into teaching-learning practices and academic curriculum.

## Key Focus Areas

- Overview of MOOCs
- Introduction to NPTEL and IIT Madras Initiatives
- Instructional Design and Pedagogy for MOOCs
- Content Development: Video Lectures, Assessments, and Engagement Tools
- NPTEL Course Lifecycle, Certification, and Evaluation

## Expected Outcomes

- Enhanced understanding of MOOCs development processes
- Improved awareness of NPTEL courses and certification benefits
- Capacity to integrate MOOCs into curriculum and teaching practices

## Organising Committee

### Patron

Dr. Phatik Chandra Kalita  
Principal, PDUAM, Tulungia

### Advisor

Dr. Nitashree Barman  
Coordinator, IQAC

### Coordinator

Dr. Payal Dutta  
SPOC, NPTEL Local Chapter
